Subject: Yucca Mountain Protest Letter

Part of Records Package / Supplement / Correction

Dear Ms. Hanlon:

We are writing to express our deep concern over the Yucca Mountain Project and the flawed process railroading it toward approval. How can the Secretary of Energy be preparing to recommend Yucca Mountain for a high-level nuclear waste dump when thousands of public comments on the Draft Environmental Impact Statement still have not been addressed? Without a Final Environmental Impact Statement, a detailed transportation scenario, finalized Siting Guidelines, or a licensing rule, the Department of Energy lacks the basis for consideration of site suitability. The public cannot have confidence in any recommendation that arises from such a dramatically flawed process. We urge you to abandon the Yucca Mountain Project.

WE CONSIDER IT TOTALLY UNACCEPTABLE THAT PRESIDENT BUSH COULD DECIDE TO PUT SIGNIFICANT NUMBERS OF THE AMERICAN POPULATION AT RISK IN THE CROSS-COUNTRY TRANSPORTATION AND STORAGE OF NUCLEAR WASTE AT YUCCA MOUNTAIN.

HE WAS NOT ENTRUSTED WITH THE OFFICE OF THE PRESIDENCY TO ENDANGER THE LIVES AND COMMUNITIES OF HIS FELLOW AMERICANS THROUGH SHORT-SIGHTED DECISION MAKING. THE CITIZENS OF THIS COUNTRY DESERVE BETTER!

Sincerely,

Jon and Beth Davidson. Incline Village. NV 89452-8822
